L'Oreal Professional have recently launched the expanded collection of the Mythic Oil and program now includes Oil Mythic, Mythic Oil Milk, Mythic Oil rich oil for dry hair and indomitable, Mythic Oil sheen colored hair, Mythic Oil Shampoo and Mythic Oil Masque. In general, I really like the professional lines, although they are more expensive, they do give the results with less amount of products and therefore they last much longer.

As my hair is curly, long and dry I believed that Mythic Rich Oil is made for me. It comes in a hard, transparent, cold plastic packaging of 125 ml, best to use within 18 months from opening. The oil itself is clear, refined and utterly lightweight, with a very slippery, runny consistency and a silky texture that is velvety to touch. Smell is so beautiful, fresh and a bit floral. This oil is enriched with Rice Bran oil and Argan oil.

L'Oreal Professionnel claims that this Mythic Rich Oil can be used as a pre blow-dry conditioner on shampooed, towel-dried hair, for easier styling and added control, or as a luxe finishing touch for an anti-frizz taming effect. Results are anti-frizz saviour offers nourishment, discipline and anti-frizz protection. I would say that this oil does all off that and leaves your hair silky soft, healthy shine, non greasy and with beautiful scent that is entirely delicate, subtle and yummy.

After I wash my hair, I put a Mythic Oil Masque and leave it for about 5 minutes. The mask alone is a thick as a body butter, has identical wonderful smell like the oil. When rinsed my hair, I noticed a big difference, my hair was smooth and soft and it is combed with finger. As always, I towel dry my hair and I used three pumps of oil.

After blow drying, and styling my hair with a flat iron I use again the Mythic Rich Oil, but this time just one pump. Here are the results, upper two photos are hair after ironing using a mask and oil before, and lower two photos are finish results with that one pump of oil at the end. They aren't photoshoped!

I would certainly recommend this oil as a great product to everyone who's hair is dry and with low definition, frizz and with low control. Also I have to say that my friend has really oily hair, she tried this product and she said that her hair looks less greasy at all after using it. In Croatia, you can find this L'Oreal Professionnel product in Alter Ego Style. Check for other reviews.

Profesionalni program L'Oreal nedavno je na tržište izbacio dopunu svoje kolekcije Mythic Oil te sada program sadrži 4 ulja (Mythic Oil, Mythic Oil mlijeko, Mythic Oil bogato ulje za suhu i neukrotivu kosu, *Mythic Oil* za sjaj obojene kose), *Mythic Oil hranjivi šampon i maska*. Op?enito volim profesionalne linije, iako su u pravilu skuplje, zauzvrat daju rezultate i potrebne su manje koli?ine proizvoda pa samim time i traju dulje. Imala sam u planu oti?i frizeru i osvježiti vrhove koji su ve? lagano suhi, no kako bih isprobala ovo ulje u naj ne idealnijim uvjetima odlu?ila sam to još malo odgoditi.

Ulje za koje sam smatrala da bi najbolje davalo rezultate na mojoj kosi je Mythic Rich Oil. Ono dolazi u pakiranju od 125 ml te ga je najbolje upotrijebiti unutar 18 mjeseci od otvaranja. Sama ambalaža je plasti?na, asocira na zlato, s kvalitetnom pumpicom koja istiskuje odli?an omjer koli?ine proizvoda. Ulje je prozirno, gusto svježeg mirisa, sadrži ulje

argana bogato vitaminom E i esencijalnim masnim kiselinama, te ulje rižinih mekinja koje duboko hrani i puni neukrotivu kosu te joj vra?a zagla?enost.

L'Oreal Professionnel navodi da ovo ulje prije feniranja vra?a kosi meko?u za lakše stiliziranje i pove?anu kontrolu, a nakon feniranja pruža dugotrajnu anti-frizz zaštitu, zagla?enost, kontrolu i duboko hranjenje. Ja bih dodala da ulje radi sve od navedenog i ostavlja kosu izrazito mekanom, sjajnom, mirisnom, laganom te ju ne masti.

Nakon pranja, na cijelu dužinu kose nanijela sam L'Oreal Prefossionnel Mythic Oil hranjivu masku, pustila sam ju da stoji oko pet minuta. Sama maska gusta je kao putar za tijelo, identi?nog prekrasnog mirisa kao i ulje. Prilikom ispiranja ve? sam primjetila veliku razliku, kosa mi se pod prstima ras?ešljavala, bila je mekana i glatka. Završila sam ispiranje mlakom vodom. Kao i ina?e, kosu sam zamotala u ru?nik i pustila da upije višak vode dok sam nanosila hranjivo mlijeko za tijelo. Samo ?ešljanje nije trajalo ni minutu.

Dajem svoje iskrene preporuke za ovaj proizvod svima s kovr?avom kosom, suhom kosom i kosom koja je nemogu?a za ras?ešljati! Mislim da se mokra kosa jako uništava ras?ešljavam i iznimno cijenim proizvode koji ras?ešljaju kosu sami od sebe jer je ?esto jedini na?in na koji ras?ešljavam kosu na mokro s balzamom i to traje i traje jer mi je kosa skoro do guze.

Prije sušenja na cijelu duljinu kose nanijela sam ulje, trebalo mi je tri doze pumpice. Posušila sam ju, ispeglala i nanijela još jednu dozu pumpice na suhu kosu. Na slici su rezultati nakon šušenja, gdje kosa ve? ima onaj zdravi sjaj od korišenja ulja i maske prije sušenja (gore), te finish, onaj dodatni nanos ulja za završni sjaj (dolje). Na slikama nije korišten photoshop. Mythic Rich Oil u akciji:

Imali smo malo druženje sino? kod nas pa sam frendici rekla za ovo ulje i dala joj da proba. Prva reakcija je bila da ona nije za to jer joj se kosa jako brzo masti (prvi dan super, drugi tako tako, tre?i je kosa u repu) i ne podnosi ulja jer ju zamaste isti tren. Svejedno je na nagovor stavila ulje i jutros mi je u 09:11h poslala poruku: "možeš slobodno ovo ulje preporu?iti za sve tipove kose. uop?e nije masna kosa od toga". Kompletnu liniju možete na?i u odre?enim frizerskim salonima i po stru?noj preporuci izabrati ono što najbolje odgovara Vašoj kosi. Salone možete prona?i ovdje, a cijene proizvoda kre?u se otprilike od 109kn - 198kn. Martina, Alter Ego Style
