## ESSENCE GEL TUŠ ZA OČI U NIJANSI BROJ 04 – I love NYC

Among the less expensive

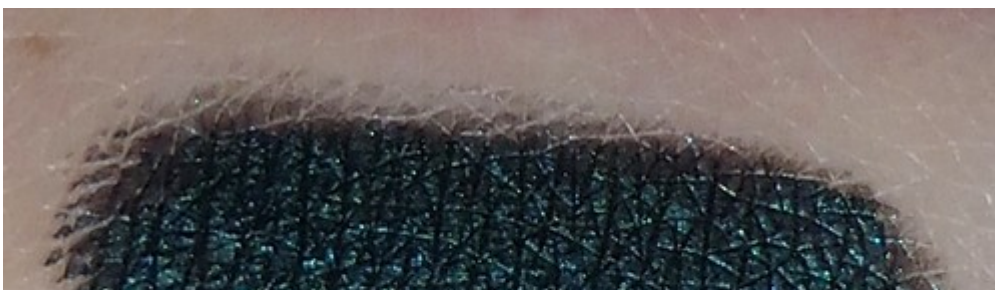

cosmetic brands I really like CATRICE and ESSENCE, and although I more often reach out for Catrice, when it comes to

eyeliners - ESSENCE is definitely my favorite. In action:

Price, quality, long lasting

formula, the pigment... I'm completely faithful to them, for several years now, and this particular shade won me over.

used as an eyeshadow, it blends so good, does not smudge, it's waterproof, with tiny glittering particles. When you apply it above the lash line, it is necessary to wait a while to dry so it wouldn't smudge, especially if you have hooded eyes, after that you have no worries. It is best to use within 6 months after opening, the price is 3,6 euros. Big recommendation! What is your favorite eyeliner? Martina, Alter Ego Style

Jedni od jeftinijih kozmetičkih brendova, u čijim ponudama se zaista mogu naći vrlo dobri proizvodi na našem tržištu su definitivno CATRICE i ESSENCE. Iako osobno, možda više preferiram CATRICE, rekla bih da što se tiče EYELINER-a,

ESSENCE vodi!

U akciji:

Cijena, kvaliteta, postojanost, pigmentiranost.. Ve? nekoliko godina sam im potpuno vjerna, a ova nijansa me posebno osvojila.

Ovaj gel tuš za oči možete koristiti kao sjenilo, jako se dobro blenda, ne razmazuje se, vodootporan je, sa sitnim svjetlucavim česticama. Kada se nanosi linija iznad trepavica, potrebno je malo pričekati da se potpuno osuši kako se ne bi preslikao, pogotovo ako imate spuštene kapke, ali kad se potpuno osuši možete biti bez ikakvih briga.

Najbolje ga je upotrijebiti unutar 6 mjeseci od otvaranja, cijena 26,90 kuna.

Velika preporuka!
