I'mperfection is an open invitation to stand up and show the world what makes you perfectly, imperfect. We want you to highlight the features other brands encourage you to cover up and celebrate your imperfections like badges of honor.

So show off your freckles. Make beauty spots more beautiful. Shine a light on your birthmarks. And be proud of your scars.

Because life isn't about finding yourself, life is about celebrating who you really are...

Svijet nije savršen. No tko uop?e želi biti savršen?

*I'Mperfection je poziv da pokažete svijetu što Vas ?ini savršeno
nesavršenima.*

*Želimo da naglasite sve što drugi o?ekuju da sakrijete i ponosno slavite
vlastite nesavršenosti.*

*Otkrijte pjege. Naglasite svoju iskonsku ljepotu. Pokažite madeže i
budite ponosni na svoje ožiljke.*

*Jer život nije potraga za sobom. Život je proslava onoga što zaista
jesmo. (more...)*
