Autumn collection 2012 *Midnight Rose* by *Lancome*. The polish is well pigmented with some raspberry undertones that make it very lively, you could nearly go away with one coat but I did 2 to make it perfect. Application was a real dream, it applied like butter and the brush is really convenient for a quick and clean application! The staying power is also nice.

Autumn collection 2012 *Midnight Rose* by *Lancome* u njihovoj LE kolekciji *Midnight Rose* za jesen/zimu 2012. Ovaj lak za nokte je izrazito pigmentiran i nepromi?en ve? sa prvim slojem nano?enja, a prigu?ene nijanse maline daju mu odre?enu posebnost. Sama aplikacija je izvanredna i moram priznati da sam zaljubljena u ?etkicu *Lancome*-ovih lako?a jer je taman široka da istodobno omogu?uje i brzu i preciznu manikuru. Tako?er, lak ostaje na noktima cijeli tjedan bez pucanja i ljuštenja.
