REVIEW OF CATRICE A WOMAN’S WORLD CREAM TO POWDER BLUSHOSVRT NA CATRICE A WOMAN’S WORLD CREAM TO POWDER BLUSH

Another cheap and chic, limited edition product, cream to powder blush from Catrice - C01 A WOMAN'S WORLD.

It’s a super bright pink-red shade and as soon as you swatch it, you can see that it’s a lot more wearable than it looks in the pan, giving you a very natural, fresh look. You can also build it up to achieve an intense color, but it is easy to apply a sheer layer for everyday.

The consistency is very much a cream-to-powder formula, so despite being a cream, it can actually feel a tiny bit drying on the skin if you're prone to dryness but overall… it's simply stunning.

As always from CATRICE, the packaging is simple and transparent - easy to be found in your make up bag. It contains 3.5 grams and it is best to use within 12 months of opening.

Još jedan jeftin i odli?an proizvod, proljetnog limitiranog izdanja, dolazi od kozmeti?kog brenda CATRICE - cream to powder blush C01 A WOMAN'S WORLD.

Divna, svijetlo rozo-crvena nijansa, koja je puno lijepša na licu nego u pakiranju. Vašem licu dati ?e vrlo prirodan, svjež izgled. Tako?er ju možete postepeno izgraditi kako bi se postigla intenzivnija boja, dok je u blagom sloju idealna za svaki dan.

Tekstura samog proizvoda je kremasta, ali na licu se pretvara u suh, neprimjetan prah ?ime ?ete izbje?i onaj pretjerano mastan izgled lica. Rezultat je jednostavno zapanjuju?.

Pakiranje je plasti?no, ali ?vrsto, jednostavno i prozirno što Vam omogu?ava da ga brzo prona?ete u svojoj kozmeti?koj torbici. Sadržaj je 3,5 grama i najbolje ga je upotrijebiti unutar 12 mjeseci od otvaranja. Cijena ovog proizvoda je 28,90kn.

Catrice kozmetiku, u Hrvatskoj, možete kupiti u Muller i Kozmo drogerijama.

Da li znate za još koje prodajno mjesto Catrice kozmetike? Kako Vam se svi?a rumenilo i što mislite o ovoj jeftinom brendu?
