

REVIEW OF L'OREAL ROUGE CARESSE OSVRT NA L'OREAL ROUGE CARESSE

Posted on **May 28, 2012** by **Martina**

First off for the packaging. I really love it and for the price I think it's great quality. It looks and feels more expensive than it is. The formula is much less like a balm or a butter it's more like a lightweight gel. The product it most reminds me of is actually Chanel's Rouge Coco Shine lipsticks. The color range is pretty phenomenal. Although there are 13 shades, I like every single one. I found it very hard to chose which color to pick up, so at the and I pick up three - *Tempting lilac 101*, *Dating coral 301* and *Rebel red 401*.

The

colors are sheer but still pigmented (if that makes sense!) Although it's not an opaque product, the pigment really shows up on the lips and gives them a lovely shine. No. 101, Tempting lilac: <http://www.alteregostyle.com/wp-content/uploads/2012/05/P5261118.jpg>

subtle but pleasant scent and although they don't last an age, I'm definitely in love with them. No. 301, Dating coral: <http://www.alteregostyle.com/wp-content/uploads/2012/05/P5261118.jpg>

shade? Martina, Alter Ego Style Prije svega pakiranje. Stvarno mi se svi? a - s obzirom na cijenu mislim da je kvaliteta dobra, a izgledom i dodirom se ?ini skupljim nego što jest. Formula samog proizvoda je nešto izme?u balzama i maslaca - pigmentirana kremasta tekstura koja jako podsje?a na Coco Chanel Rouge Shine ru?eve za usne. Raspon boja je prili?no fenomenalan. Iako ima ?ak 13 nijansa, moram priznati da su mi se svidjele sve do jedne. Bilo mi je užasno teško za odlu?iti se, ali na kraju, izbor je pao na slijede?e tri nijanse - *Tempting lilac 101*, *Dating coral 301* i *Rebel red 401*.

uvijek pigmentirane (ako to ima smisla!). Iako to nije neproziran proizvod, njegov pigment se stvarno pojavi na usnama i daje im prekrasan sjaj. Nijansa 101, Tempting lilac:
