A close-up photograph of the Clarins Gentle Peeling & Daily Energizing Cream product. The product is a white, cylindrical tube with a gold-colored cap. The tube is lying horizontally, and the cap is slightly open, revealing the cream inside. The background is a soft, out-of-focus white. The text "CLARINS Gentle Peeling & Daily Energizing Cream" is overlaid in a large, white, serif font. The word "CLARINS" is in all caps, while "Gentle Peeling" and "Daily Energizing Cream" are in title case. The ampersand "&" is also in a large, white, serif font. The text is centered over the product. The tube has some text on it, including "Gentle Peeling" and "Daily Energizing Cream", which is partially visible. The overall image is clean and professional, typical of a beauty product advertisement.
